

WINE LIST

Our wine selection is designed to complement the spirit of The Buttery—seasonal, generous, and rooted in a sense of place.

Each bottle on this list has been chosen not only for its quality, but for the character it brings to the table. Whether that's a refreshing glass of crisp white alongside seafood, or a bold red to savour with our meat dishes.

You'll find a thoughtful balance between classic Old World regions and the expressive New World producers. Burgundy, Rioja, Piemonte and the Loire offer elegance, minerality and tradition—whereas Australia, New Zealand, Argentina and South Africa bring ripe fruit, spice and vibrancy.

We've included some familiar favourites such as Sauvignon Blanc and Malbec, as well as some lesser-known gems like Negroamaro, Albariño and an exceptional red dessert wine from Montsant. Whether you're a casual sipper or a curious collector, there's something here to enjoy.

Our by-the-glass selection is designed for exploration—ideal for pairing, sharing, or simply sipping. And if you're unsure, our team is always happy to recommend something to match your mood or your meal.

We hope this list helps elevate your experience, one glass at a time.
